RFQ - 90 deg hybrids
Christopher Sheehy
To: <sales@rflambda.com>
From: Christopher Sheehy <csheehy@bnl.gov>
Hi,

I'd like to request a quote for:

1 of RFHB75M01GVT (90 degree hybrid, SMA, 0.75 - 1.5 GHz)
1 of RFHB05M03GVT (90 degree hybrid, SMA, 0.5 - 2 GHz)

Are there any price breaks if I order four?

Also, the online table lists the insertion loss of RFHB05M03GVT as 0.3 dB.
The datasheet, however, says 0.4 dB typ, 0.5 dB max. Which is correct?

Thanks.

-Chris
